

Dear Friends,

As I hope you have heard by now, Hospice of Amador & Calaveras is expanding services to more and more patients and families in Calaveras County. Earlier this summer a full 50% of the 32 patients we were caring for resided in Calaveras County! We are a nonprofit, 501(c)(3), dedicated to providing quality end-of-life care to all those who need it, regardless of their ability to pay. We have been providing hospice services in Amador and Calaveras Counties for almost 30 years.

We would like to tell you more about the services we are providing and the potential for a Hospice Thrift Store in Calaveras. Please join us for a friendly meal (on us) and some great information sharing about Hospice of Amador & Calaveras and how you might be able to help. On Friday evening, October 16 from 6:00 – 7:30PM we will be meeting with friends and families at the Calaveras Senior Center located at 956 Mountain Ranch Road, San Andreas. We'll be enjoying delicious spaghetti and meatballs, showing a short video about how the hospice program works, sharing information about a possible Hospice Thrift Store in Calaveras, and answering all of your questions.

Please RSVP @ 209-223-5500 by October 5 so we know how much spaghetti to cook! Our friends at the Calaveras Senior Center are helping to sponsor this event and we are very grateful for their support. Please call 209-223-5500 to RSVP and if you have questions or just want to know more about the event please ask for Ann Metherd.

We hope you and a friend or family member will come and join us on Friday evening, October 16 to learn more about how you might be able to help us support our mission of providing more and more care to patients and families in Calaveras County regardless of their ability to pay.

We look forward to meeting you and appreciate your willingness to come out and learn more about Hospice of Amador & Calaveras!

Sincerely,

Dan Riordan, Executive Director
